THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall, in said Fitzwilliam, on Tuesday, the 6th day of March next at seven (7:00 P.M.) o'clock in the afternoon to act on the following subjects:

Article 1. To bring in your votes for the election of one selectman for three years, one cemetery commissioner for three years, one trustee of trust funds for three years, one trustee of the library for three years, three firewards, three commissioners for Plante Memorial Park, town hall agent, constable and prosecuting officer and two members of the budget committee for three years. Polls will be open not later than 2:00 P.M. o'clock and close not earlier than 7 P.M. o'clock or such later time as shall be authorized by vote of the Town.

Article 2. To hear and act upon reports of agents, committees and officers heretofore chosen.

Article 3. To see if the Town will vote to authorize the selectmen to borrow money, in anticipation of taxes.

Article 4. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action hereon:

Appropriation	*Amount*
Highway Department	$ 7,190
Fire Department	2,000
Police Department	2,000
	$11,190 plus interest

Article 5. To see if the Town will vote to authorize the selectmen to enter into agreement with the Town of Troy under Chapter 53-A of the Revised Statutes Annotated to form a joint police department for the Towns of Troy and Fitzwilliam.

Article 6. To see if the Town will vote to raise and appropriate the sum of $16,000.00 for the operation and maintenance of the joint police department for the Towns of Fitzwilliam and Troy, provided

that Article 5 above is adopted by the voters, or, in the event that either Article 5 above is not adopted by the voters, or the Town of Troy does not vote to adopt an article equivalent to Article 5 above, to see if the Town will vote to raise and appropriate the sum of $10,000.00 for the operation of the police department, or to take any action thereon.

Article 7. To see if the Town will raise and appropriate the sum of $2,200.00 for the purchase of a radar unit for the use of the Police Department, or take any action thereon.

Article 8. To see if the Town will raise and appropriate the sum of $1,500.00 to clean out the waterhole in the rear of the Town Hall or take any action thereon.

Article 9. To see if the Town will raise and appropriate the sum of $1,200.00 to provide a HotTop ramp in front of the new Fire Station.

Article 10. To see if the Town will vote to raise and appropriate the sum of $2,200.00 to purchase and install a Radio Base Station for the use of the Fire Department.

Article 11. To see if the Town will vote to raise and appropriate the sum of $5,000.00 for the crushing of gravel for the use of the Highway Department, or take any action thereon.

Article 12. To see if the Town will vote to raise and appropriate the sum of $9,300.00 to purchase a new truck for the use of the Highway Department and $4,300.00 of this amount to be withdrawn from the Highway Capital Reserve Fund, or take any action thereon.

Article 13. To see if the Town will raise and appropriate the sum of $5,890.00 to have a Soil Survey Map prepared by the USDA Soil Conservation Service; $1,000 of this amount to be assessed in 1973 and placed in a special account, $2,445 to be raised in 1974 and $2,445 to be raised in 1975, contingent upon the completion of the survey, or take any action thereon.

Article 14. To see if the Town will vote to authorize the Recreation Commission to establish permanent recreational facilities on the Emerson School property.

Article 15. To see if the Town will vote to release the balance of the recreation funds established at the 1970-72 town meetings for the purpose of developing a recreational facility on the Emerson School property and to raise and appropriate the sum of $15,800 with $10,800 to be withdrawn from the recreational capital reserve fund, or take any action thereon.

Article 16. To see if the Town will authorize the Recreation Commission to apply for matching Federal Funds for the

development and operating the Fitzwilliam Recreational Area.

Article 17. To see if the Town will vote to raise and appropriate the sum of $1,000 for the purchasing of land for a dump site or take any action thereon.

Article 18. To see if the Town will vote to raise and appropriate the sum of $5,000 to be added to the Capital Reserve Fund, created at the 1969 town meeting for the purpose of purchasing equipment for the Fire Department.

Article 19. To hear the report of the Budget Committee and pass any vote in relation thereto.

Article 20. To see if the Town will vote to rescind action taken under Article 29, Town Meeting of 1950, relating to the granting of discount on taxes or take any action thereon.

Article 21. To see if the Town will authorize the selectmen to sell all tax deeded property at public sale.

Article 22. (By Petition) To see if the Town will vote to abolish the reestablishment of the south boundary of Historic District #2 of Fitzwilliam which was voted by the Town, March 11, 1972.

Article 23. (By Petition) To see if the Town wili vote to abolish the reestablishment of the north boundary of Historic District #2 of Fitzwilliam, which was voted by the Town, March 11, 1972.

Article 24. (By Petition) To see if the Town will vote to abolish the extension of the Historic District of Fitzwilliam, which was established by vote of the Town, March 9, 1971.

Article 25. (By Petition) To see if the Town will vote to abolish the Historic District of Fitzwilliam, which was established by vote of the Town, March 10, 1970.

Article 26. (By Petition) To see if the Town will vote to abolish the Historic Commission of Fitzwilliam, which was established by vote of the Town, March 11, 1969.

Article 27. (By Petition) To see if the Town will vote to abolish the Recreation Commission of Fitzwilliam, which was established by vote of the Town, March 10, 1970.

Article 28. To see if the Town will vote to direct the Board of Selectmen and the Conservation Commission to do any and all things necessary or desireable to preserve Gap Mountain in its present state as permanent open space for the benefit of the entire community.

Article 29. To see if the Town will vote the following ordinance: No building shall be erected, constructed or placed on a lot of land less than two acres in size, nor less than 50 feet from the edge of the traveled portion of any highway, nor less than 25 feet from a

boundary line. A person convicted of violating any of the provisions of this ordinance shall be fined not more than $10.00 for each day such violation exists.

Article 30. (By Petition) To see if the Town will vote to designate Richmond Road from Fitzwilliam Inn to Route #119 as a scenic road under the provisions of RSA 253:17 & 18, for the purposes of protecting and enhancing the scenic beauty of Fitzwilliam, N.H. and, further, that the selectmen of said Fitzwilliam shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid Funds under RSA 241: 7 (I).

Article 31. (By Petition) To see if the Town will vote to designate West Lake Road, including Putney Road, from Route #119 to East Lake Road as a scenic road under the provisions of RSA 253:17 & 18, for the purposes of protecting and enhancing the scenic beauty of Fitzwilliam, N.H. and, further, that the selectmen of said Fitzwilliam, N.H. shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid Funds under RSA 241:7 (I).

Article 32. (By Petition) To see if the Town will vote to designate Templeton-Collins Road as a scenic road under the provisions of RSA 253:17 & 18, for the purposes of protecting and enhancing the scenic beauty of Fitzwilliam and, further, that the selectmen of said Fitzwilliam shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid Funds, under RSA 241:7 (I).

Article 33. To see if the Town will vote to discontinue a part of Kemp Brook Road, so called as follows:

> Beginning at the intersection of the Kemp Brook Road and the Howeville Road, so called, near the residence of Nathaniel & Constantia R. Bowditch and extending southwesterly along said Kemp Brook Road a distance of 800 feet, upon the Town of Fitzwilliam receiving from Nathaniel & Constantia R. Bowditch a warranty deed conveying a right of way for public highway purposes across other land of Nathaniel & Constantia R. Bowditch, such right of way to provide an alternate route for the discontinued section of Kemp Brook Road by such courses as

the Board of Selectmen and Road Agent shall consider appropriate, and to be cleared of trees, brush, rocks and other obstructions to the extent necessary to allow public travel over the same; all at no expense to the Town of Fitzwilliam

Article 34. To see what action the Town will take in regard to the removal of the trees in front of the Town Hall and replacing the same with trees of an adaptable species or take any action thereon.

Article 35. To see if the Town will vote to make the position of Town Hall Agent an appointive office effective March 5, 1974.

Article 36. To see if the Town will vote to adopt such standards for the design and construction or reconstruction of Class V Highways within the Town, as shall be adopted from time to time by the Department of Public Works and Highways of the State of New Hampshire.

Given under our hands and seal this 19th day of February, in the year of our Lord, Nineteen Hundred and Seventy-Three.

A motion was made to adjourn the meeting at 9:45 PM.

All officers elected or appointed, were duly sworn in as by law prescribed.

Respectfully submitted,

Jane R. Wright
Town Clerk

SELECTMENS REPORT

The Board of Selectmen is pleased to report on the activities of the office during the past year and to comment on other matters which should be of concern to all residents and taxpayers of the Town.

MAPPING PROGRAM: The mapping program was completed by the James W. Sewall Co. and hearings were held to accommodate those property owners who had questions about their property lines or acreage. There are still a few property lines in question. Several property owners have purchased maps which are of interest to them, and maps are still available at $3.00 each. Sectional photos are also available at $16.00. The Board of Selectmen recommend that the maps be brought up to date each year, which can be done at a small expense. This is a must under the new law which requires that all towns have have property maps by 1980. The Real Estate transfers within the Town during the past year are being printed as a part of this report. It is hoped that this will become a continuing practice as the Board believes it to be essential part of an annual report. When the tax bills went out, property owners took a second look at their deeds, surveys and land descriptions because the tax bills reflected the acreages as shown on the new maps. It will also be noted that most properties are referred to by map and lot number instead of by old family names.

ASSESSING PROCEDURES 1972: The 1972 annual meeting turned down the suggestion of the Board of Selectmen that outside assistance be employed to reappraise all the land of the Town. The Board proceeded to do this in accordance with the schedule which is printed elsewhere in this report. This schedule, which was developed by a member of the Board, was filed with the State Tax Commission. All the lands in the rural areas of the Town were reassessed, and the record cards and the addressograph plates were changed accordingly. The uncertainty of the application of the Open Space Law further complicated the process of setting land values throughout the town. Fortunately with the aid of the new property maps the Selectmen were able to prepare and submit the required report of open space tax deferments on a reasonably accurate basis.

SOLID WASTE AND SEWAGE DISPOSAL SYSTEMS: There does not appear to be a simple answer to how best to handle our solid waste. A landfill operation to bury all the material, now being hauled into our local dump, would be expensive and impractical. Incineration is costly on a small scale and is not the final answer. Recyling will only work when there is a willingness and a committment on the part of each household to separate all of its waste into at least four general categories of glass, paper, metal and garbage. The Town cannot afford, and should not expect, to hire a person if one such person could be found to do this. This jobcan, and must, be done by each individual, home or business that contributes to the problem.

FINANCIAL CONDITION OF THE TOWN AND REVENUE: The second chart printed below points up the growth of the town duringthe last ten years with the resulting increase in expenses and the need for additional revenue. Special notice should be given to the increase in the anticipated revenues from the Federal, State and Local sources -- exclusive of local real estate taxes. It is a reasonable assumption that the ordinary town functions and services, but excluding capital expenditures could be financed for the current year without a real estate tax. Whatever funds are voted at town meeting for special projects, together with the county and school tax will be what the taxpayers can expect to be the basis of their 1973 tax bill. It is up to the local community to decide how the funds received under the Revenue Sharing are to be spent. It should be used in such a way as to be of the greatest benefit to the local residents. To facilitate the necessary record keeping over the years, the Selectmen recommend that the funds be applied to the PRIORITY EXPENDITURES of the Town; more particularly the Highway, Fire, and Police Departments.

HIGHWAYS AND BRIDGES: A further study of chart #2 reveals that the number of motor vehicles registed locally has doubled in the last ten years. This

in turn places a greater demand on the Highway Department to provide 'summer time' driving conditions on a year round basis. As will be noted in the Detailed Expenditures, the combined cost of the Jaffrey Road ($8,642.37), #4 Bridge ($8,171.55) and the Pipe Line ($1,354.69) projects was about $3,300. less than was available. However, it should be pointed out that the use of town equipment is not included in these figures. An inventory and study of our town road system is needed. A plan is needed that is consistant with the growth of the community to ensure that the Highway Subsidy, T.R.A. and other road monies are expended to the best advantage.

Article 29 has been inserted in the warrant, by the Board of Selectmen, to adopt certain standards for Class V highways throughout the Town. The Board suggests that the 20-foot limit set for a road surface width is practical and essential to provide for the safe passage of the larger commercial units, the school buses and highway equipment in use today. Visual safety distances are no less important. A minimal sight distance of 200 feet is necessary for a 30MPH speed, which is common on our town roads. Also too many driveways are installed without regard to culverts or drainage ditches. This causes unnecessary and dangerous icy spots during the winter time.

LAND USE: The original layout of the Town, excepting the area set off for the Town of Troy, consisted of 215 lots of about 100 acres each. At the time this was thought to be adequate to support a family. The need for land at that time was for tillage, pasture, fuel and lumber for building materials. Since that time some of the lots have been divided and subdivided until we have about 1300 parcels, large and small. Many now think of a lot of land as only a plot large enough to provide a homesite with a well and sewage system. What this minimum lot size should be is frequently a subject for heated discussion.

Unfortunately, in many instances, the lot size has proven to be too small or the soil conditions inadequate causing unnecessary trouble and expense. It appears that the time is at hand to adopt a minimum lot size and to have a comprehensive soil and a land capability survey to avoid the further development of locations that cannot possibly provide minimal living conditions. Serious consideration should be given to article 29 of this years warrant.

The Board of Selectmen express it's appreciation for the co-operation of the other town officers and to the several committees necessary to carry on the functions of the Town.

Respectfully,

John R. Damon, Chairman

Howard C. Holman

Robert J. Corrette

STATE OF NEW HAMPSHIRE
TAX COMMISSION
Concord, New Hampshire

Board of Selectmen
Fitzwilliam, New Hampshire

Gentlemen:

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Fitzwilliam for the fiscal year ended December 31, 1972, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given to the Town Clerk for retention as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Village Precenct, Summer Recreation Program, Laurel Lake Development and Trustees of Trust Funds.

FINANCIAL STATEMENTS

General Fund:

Comparative Balance Sheets - December 31, 1971 and December 31, 1972: (Exhibit A-1)

Comparative Balance Sheets, as of December 31, 1971 and December 31, 1972, are presendted in Exhibit A-1. As indicated therein, the Current Surplus of the Town increased by $23,183.07, from $28,723.16 to $51,906.23.

Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of the change in current financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Current Surplus:	
Net Budget Surplus	$23,593.14
Decrease in Current Surplus:	
Tax Collector's Excess Debits	410.07
Net Increase in Current Surplus	$23,183.07

Comparative Statements of Appropriations and Expenditures- Estimated And Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures for the fiscal year ended December 31, 1972, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1972, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Unredeemed Taxes:

As indicated in Exhibit C-2, as of December 31, 1972, unredeemed taxes from the tax sales of the levies of 1969 and prior years were as follows:

Levy of	Amount
1969	$1,452.48
1968	1,025.18
1967	349.61
1966	158.53
1965	390.55
1964	129.24
1963	101.06
1962	99.12
1961	37.45
1959	6.90
	$3,750.12

Again, in reiteration of our comments in the reports of the previous years, it must be asserted that the Tax Collector should deed all of the properties involved to the Town, inasmuch as the statutory two-year period for redemption from tax sales has expired on these unredeemed taxes. The execution of tax deeds on all properties which are in default of redemptions is required by the provisions of R.S.A. 80:38.

Correction of Errors in Tax Lists and Warrants:

Attention is called to R.SA. 76:14, relative to the correction of errors in the tax lists and warrants delivered to the Tax Collector. This statute provides as follows:

> " 76:14 Correction of Omissions, or Improper Assessment. If the Selectmen, before the expiration of the year for which a tax has been assessed, shall discover that the same has been taxed to a person not by law liable, they may, upon abatement of such tax and upon notice to the person liable for such tax, impose the same upon the person so liable. And if it shall be found that any person or property shall have escaped taxation, the Selectmen, upon notice to the person shall impose a tax upon the person or property so liable."

Accordingly, taxes assessed in error should be corrected only by the issuance of abatements, and taxes omitted from the original warrants given to the Tax Collector, should be assessed on added tax warrants. There should be no changes effected in the original lists committed to the Collector.

Conclusion:

The provisions of Chapter 71, Section 27-a, require that the auditors' summary of findings and recommendations (Letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the descretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Fitzwilliam for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante, Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Fitzwilliam for the fiscal year ended December 31, 1972.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statement of sources of revenues and expenditures present fairly the financial position of the Town of Fitzwilliam at December 31, 1972, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

Frederick E. Laplante, Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

The Upper road to Laurel Lake, Fitzwilliam Depot, N. H.

REPORT OF ROAD AGENT

MAINTENANCE

Regular work was done. Summer and Winter: Plowing, sanding, cutting brush, patching, and grading.

JAFFREY ROAD

Extensive work was done on this end of Jaffrey Road and the rest of the road was resurfaced and a new culvert installed at Town Line.

#4 ROAD BRIDGE

The bridge near the Stillman Stone residence was replaced with a 101/2 foot metal culvert. Two more bridges on the same road should be replaced in the same manner.

DUMP

More and more work is needed to be at the Town Dump. Mostly because people will not use energy enough to throw their rubbish over the bank.

SALT SHED

A new salt shed was necessary to prevent waste and provide a dry storage area.

FIRE WARDS REPORT

The Fitzwilliam Fire Department is progressing according to plan. A few years back the Fire Wards set goals to maintain and reach in ten years.

The first phase was training and up-dating the men of the department. Each man was to have safety equipment and home alerting systems. The men supported this by donating over $100 per man to accomplish this goal. We are happy to report this has been done, but the cost increased to about $200 per man. The men now have proper training, safety equipment, home monitors, and modern hand equipment to use in fire prevention and fire supression.

phase II was started 3 years ago by establishing a capital reserve fund for fire equipment and this year an article in the warrant asks to change the amount to $5,000., to off-set the inflationary cost of new equipment. This phase will corralate phase IV explained later in this report.

Phase III was placed in motion two years ago by establishing a fire station Committee to bring in plans for a new fire station. Last year the Town voted to build a new fire station and appointed a committee to carry out this process. Elsewhere in this Town Report is their summary of the main events of constructing a new station. We as Fire Wards, extend our sincere thanks to the committee and all the consultants who worked on the new station plans. It is hoped that all will stop at the depot and see the progress in construction thus far. The building should be completed by April.

Phase IV will be presented at the 1974 Town Meeting and this will incorporate the phase III capital reserve fund in appropriating money for a new fire department pumper-tanker. Thus keeping our plan of rotating equipment every 20 years.

Phase V & VI will not be needed unless the town grows in the State Line area and then a new sub-station and vehicle would be needed there.

Phase VII is a planning stage area for the town department. It is in this area we look at new ideas and present them to the members of the department to review and act upon. This is the area of money donated to the town for services and contributions to outside units. This year the members of the Fitzwilliam Fire Department donated as follows: $3,000 for Equipment and $2,100 Community Donations. Also a committment of $20,000 towards the new fire station.

FIRE WARDS

FOREST FIRE WARDEN AND DISTRICT CHIEF REPORT

In New Hampshire, Forest fire control is a co-operative State-Town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a diastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned - 1972 season:

State -	410 Fires	361 acres burned
District -	30	26½ acres - 26 spot fires
Town -	2	Spot fire

Robert Burns
DISTRICT CHIEF

FIRE STATION BUILDING COMMITTEE REPORT

1972

By vote of the town a fire station building committee was established at the 1971 town meeting. This committee consists of the fire wards, a selectman, and other residents.

The committee has investigated sites, types and costs of a new building, and has considered travel times, insurance rates, and the general impact of placing a new large building in this town. The committee chose Fitzwilliam Depot as the most logical site for a new building. The Fire Department will still utilize the satelite station at the village and projects that in the future another satelite station may have to be located in the area of greatest expansion. Expansion of the town has been rapid during the last few years but has taken no definiate direction. Consequently we feel that the established policy of housing the majority of our equipment in the Depot with one truck in the village will still give the town the best coverage now and in the near future.

Prior to the 1972 town meeting the committee had received the generous offer of a parcel of land in Fitzwilliam Depot. This land (the Reed property) was offered by the St. Joseph Mission Church and the Diocese of Manchester for the purpose of constructing a new fire station. We had also estimated the cost of a new building to be $55,000. The members of the fire department voted to donate $15,000 to a building fund and the remaining $40,000 was voted by the town.

The first request for bids was in May. We received four bids which showed a considerable range in price and variation in specifications. We decided it was in the best interest of the town to reject all bids, redo our drawings and specifications and request new bids. While in the process of doing this, we were informed by the New Hampshire Water Supply and Pollution Control Commission that the application for our sewage disposal system had been rejected. We then, personally contacted this commission and requested their help in finding a solution to our problem. With the excellent advice and co-operation of a state soil engineer and the generous donation of another tract of land from the Church we succeeded in finding an ecologically safe and proper solution to our problem.

In September we asked for bids again and the contract was awarded to the Goodell Construction Company of Keene for the construction of a 60' x 80' steel building with a brick face. This building will contain a 2000 square foot assembly hall and a four bay apparatus floor. The hall will contain excellent lighting, kitchen, and toilet facilities. We sincerely hope it will be well utilized by the people of this town.

The building is presently well on its way and we expect a completion date by early spring.

FITZWILLIAM POLICE DEPARTMENT REPORT
Year ending December 31, 1972

The department has operated with four men for the year ending 1972.

Personal have been attending the vocational school in Nashua, where the state has offered classes pertaining to various subjects related to police work and new procedures, along with guide lines to follow for court procedures.

Breaking and entering during the first half of year was at a minimum but late fall this was on increase.

Speeding on town roads have been frequent and many complaints have been registered with the department. To control this we obtained a computor type radar on a purchase rent plan and after certification of equipment and operators it was put into use in various areas where complaints were frequent. This lead to a decrease in violations and also has decreased minor traffic accidents.

Summons issued and arrest made were sixty eight in number and juvenile sessions were held for five.

We wish to thank local citizens for their cooperation and concern and for the cooperation of the Sheriffs Department, State Police and the police departments of neighboring towns.

LIBRARIAN'S REPORT 1972

More progress has been made this year because the back room(formerly used as a museum) was cleaned and painted, new lights and a rug installed. It was opened to the public and dedicated to Miss Marguerite E. Davis on April 18th. The Friends donated the lovely rug, flowers and gave the tea.

Mrs. Francis Whitcomb gave us a nice table for the circulating room. The Friends have purchased all the fiction for the year. The Esdaile Funds pay for the non-fiction and the fine money pays for the children books.

In May, thirty books were given in memory of Marjorie Woodbury Yon by her sister and are much appreciated by our readers.

Total circulation for the year 8,196 books, records, and magazines.

Mrs. Herrick, State Consultant aided me for six hours in the weeding of non-fiction books. The Bookmobile made 3 visits, and we borrowed 63 books from Concord.

I attended six book selection meetings in Keene. Also 6 meetings in our Library with Friends committee to choose books to buy.

Miss Sturtevant and I attended a book mending workshop on August 17th in Keene, given by Demco Co. We learned many useful ways of mending and cleaning books.

We added 376 books to our collection and weeded out 148 books.

Miss Sturtevant continued the Pre-School and Summer reading Program, and taking books to shut-ins.

The Garden Club provided flowers as usual for us again this year.

The Emerson School children, grades 2-5 visited the Library on October 10th, for many it was the first visit to our Library.

I am hoping to get additional lighting in the stacks in 1973, as it is much needed.

I retired on December 31st and Mrs. Eric Thompson was appointed to fill my position. I wish her success in her new position.

Library phone number is 6503 for calling for renewals or information.

Respectfully submitted,

Mamie W. Roche

SUMMER RECREATION COMMITTEE REPORT

1972

The 1972 Summer Recreation Program was held for the third year at the Emerson school grounds. We were fortunate to have Mr. Eugene R. Beauregard return as program director and to have Mrs. Julie Goddard as his assistant. The Neighborhood Youth Corps enabled us to have two teenagers, Cindy Bagster and Billy Aldsworth, as junior assistants.

Playground was open to all Fitzwilliam youngsters week days from 8:30 to 1:30 mid June through August 18. There were 121 youngsters registered and approximately 45 attending each day. Trips were taken to the Boston Aquarium, Whalom Park, to Keene State College Summer Theatre (two trips), and to Mt. Monadnock for a climb. There was an active daily schedule of activities including arts and crafts, baseball, archery, table tennis, badminton, four-square, basketball, and a new challenge, box hockey. The Fitzwilliam Inn once again opened its pool for the Red Cross swimming lessons and Mrs. Guidotti again provided tennis lessons on her courts. We are fortunate to have these generous donations of facilities and time from which the children greatly benefit.

We thank the Elliot Institute for its donation and the Fitzwilliam Firemen's Auxiliary for the trip to Whalom Park. We also thank the people who made private donations, some in money, some in time, for they enrich the program and make it live. We also thank the Neighborhood Youth Corps for enabling us to have the junior assistants.

The increase of the request in the budget for 1973 is necessary because we were short of money this summer; donations were down, some expenses were up and there is no money to carry forward to next year. It will be necessary next year to replace and improve our equipment in order to carry on our program and accomodate the increase in participants.

FITZWILLIAM RECREATION COMMISSION REPORT

1972

The Recreation Commission spent much of this year searching for an answer to the recreation needs and wishes of the people of this town. In order to find what the preferences were, the commission mailed postcard questionnaires to town residents in April. After the results to the questions were analyzed, the commission held an open hearing to get further comments from interested residents. The helpful comments and suggestions received from this search were investigated, compared, and discussed at some length.

The search finally focused on the land around Emerson School. The committee found many advantages to this area: it is centrally located, easily accessible, could be used year-round, would provide maximum use of taxpayers property, and would be one of the least expensive areas to develop. This is an area where taxpayers money could provide excellent facilities for maximum school and community use.

The committee met with the Monadnock Regional School Board in November with a land use proposal and was encouraged to continue with development plans. This we have done. There is ample room for a large baseball field, tennis courts, and a multi-purpose shelter for summer recreation and for winter ice skating.

This, then, is the Recreation Commission's proposal for a recreational area for the town of Fitzwilliam.

FITZWILLIAM PLANNING BOARD 1972 REPORT

The Planning Board met ten times during the year to handle business that regularly comes before it. There were several other meetings that had to be called unofficial because of quorum requirements. The diverse travel and business schedules of the Board members make regular monthly meetings difficult to schedule in advance. We will make every effort to advise residents of our meetings and the results of those meetings.

The Board reluctantly accepted the resignations of Mr. Kenneth Cavadini and Mr. Robert Anderson because of business pressures, and of Mr. Robert Corrette because of his election to the Board of Selectmen. The Board was pleased with the Selectmen's selection and appointment of our new members, Mrs. Howard Buss, Mr. John Ilg, and Mr. Fred Regan, who join the continuing members: Mr. William Skarin, Mr. James H. Kennedy, Mr. Howard Holman, and Mr. Dudley P. Housman.

As last year's report stated, we are actively working on a zoning ordinance. We have been in touch with the University of New Hampshire, Community Development Office, which has offered us full assistance. Current events in surrounding towns such as Peterborough and Rindge should make even the most hardened critic of zoning realize that developers and promoters -- with a profit motive first and last -- come in and go out with their money to another unprotected town, leaving us with their problems. With the assistance of professional planners and the voters of Fitzwilliam there is no reason why we cannot avoid some of the problems our neighboring towns have had. We, the Planning Board, sincerely request that everyone attend the open hearings that will be posted. Only by your constructive criticism and help can we bring in an effective ordinance that we can all profit from and live with.

> It's not a question of what the "Town" or "They" do to you. You are the Town. Be active in Community affairs. Step forward and be counted, for many are counting on you.

I will again take this opportunity to thank not only the present members of the Board but also all Fitzwilliam residents who have in any way assisted the Board during the year. This included those of different views or opinions who were honest enough to express themselves in the best interests of the Town.

I would particularly like to express my thanks to the Board of Selectmen. Although we may not always agree -- which is healthy and good -- their assistance and guidance have contributed immeasurably to the very existence of the Planning Board.

Repectfully submitted,

Dudley P. Housman, Chairman
PLANNING BOARD

FITZWILLIAM HISTORIC DISTRICT REPORT

The aerial Survey found two boundary line inconsistencies and as a result of the Passage of two articles at the 1972 Town Meeting the problems were remedied.

Co-operation among property owners and prospective buyers has been greatly appreciated in regards to the Districts rules and regulations . During the year applications were approved for:

4 Signs
6 New Buildings
3 Additions
3 Alterations

Two of the refused applications went before the Board of Adjustment, one of which the Board upheld us. The applicant confined with us, made some changes and we were able to grant him a permit. We feel the Board of Adjustment has been very thorough, and fair in their decisions whether or not they have found in our favor.

Respectfully submitted,

G. Warren Spicer, Chairman
HISTORIC DISTRICT COMMISSION

MEMORIAL DAY REPORT

I will take this opportunity, again, to thank all those who took part and those who helped plan the Memorial Day Program.

The weather was a pleasant, warm, May day. Our guest speaker was Col. Vincent Crane, who spoke on the steps of the Town Hall. The firing squad was this year called the Spirit of "76". Members dressed in the period of the American Revolution. They fired a salute at each of the cemeteries and Plant Memorial Park. Music was furnished by the Monadnock Highschool Band.

A report of expenditures for Memorial Day may be found elsewhere in this Annual Report.

Respectfully Submitted,
Robert Corrette, Chairman
